**INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.56 AND § 1.97**

Assistant Commissioner for Patents
Washington, D.C. 20231

SIR:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to references AA-BL listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant." Copies of references AA-BL are submitted herewith.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith several pages of a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

References AA-AD, AX, and BE listed on the attached PTO 1449 were cited in a PCT International Search Report dated October 9, 1999, in connection with International

application no. PCT/US99/20762. A copy of this Search Report is attached hereto as Exhibit A.

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Because this Information Disclosure Statement is being submitted before the mailing date of a first Office Action on the merits, no fee is believed due. However, should the Patent and Trademark Office determine otherwise, please charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed for accounting purposes.

Respectfully submitted,

Date January 26, 2000
